Sub: Long Term Internship Opportunity!

Applications are invited from interested students of Ramaiah College of Law to intern on a Project on ***Legislative Impact Study of the Geographical Indications of Goods (Registration and Protection) Act, 1999***. The Project is an initiative of ***Ramaiah Intellectual Property Rights Cell*** to analyse and submit a report to the Government of Karnataka on the working of the Act and its impact on the ground level as it completes 20 years of enactment this year.

The internship will give the interns a wonderful opportunity to get an indepth knowledge about the various aspects of IPR (specifically Geographical Indications). The opportunity to interact with subject experts will be a new and valuable experience especially to those who want to expand their knowledge in the field of IPR. This will also expose you to the world of legal research and report writing which will undoubtedly help you in both academics as well as legal profession in the long run.

Total Number of Vacancies: 5 (five)

- The students of 2nd, 3rd and 4th year LL.B classes of Ramaiah College of Law.

Tenure of the Project: 1st November 2019 –30th November 2020

Responsibilities of Interns:

- Interns would be required to perform administrative and research-related activities for the successful completion of the project.

- Interns would be required to engage in field studies, conduct interviews with Government Officials and subject experts and collect information and prepare reports.

Qualifications

- Good verbal and written communication skills in Kannada and English required. (Proficiency in Hindi is desirable)
- Good record in academics and personal conduct.
- Commitment and dedication to work hard in a systematic manner to achieve the goals.
- Ability to quickly learn and adapt to situations and address challenges.
- Good analytical skills.
- Basic knowledge on the fundamentals of Intellectual Property Rights is desirable. The willingness to dedicate oneself to acquire the same is necessary.
- A good understanding/experience in Empirical Research is desirable.

Mode of Application

The interested candidates may send an email expressing their interest to be a part of the project along with a write-up of not more than 200 words on why they want to be a part of the Project to iprcell@msrcl.org before **30th of October 2019**. The subject of the email should be "Application to the post of Interns: GI Legislative Impact Study"
